The Elks believe that patriotism is contagious, and we can proudly but very simply demonstrate to all; our fortitude, our base belief, and our resolve for the American way of life by correctly flying the flag of the United States of America. The Elks have adopted the flag of our country as the symbol of charity, one of the cornerstones of the Elks philanthropic philosophy.

While other organizations may focus on a single goal, the Order of Elks is dedicated to a total "Community Focus." Elks are committed to our youth, patriotism, drug awareness, Veterans, the disadvantaged and those with special needs. Elks believe in charity to all mankind, and contribute regularly to our schools, fire departments, police, hospice care, disaster relief, hospitals, and many other charitable, non-profit and civic causes. As we donate our time, talent and resources to our Communities, we are noticeably improving the lives and increasing the opportunities for those we serve. Elks believe when you touch one life, you will never know how many lives are touched from you.

On Sunday September 11th the Palm Coast Elks Lodge #2709 will commemorate the 15th anniversary of the September 11th 2001 attacks on our Country. The ceremony begins at 9:45 AM Sunday September 11, 2016 and is open to the public. The ceremony will be held at the 9-11 Memorial Monument located in front of the Palm Coast Elks Lodge #2709.
